2015 LISTAHANAN RESULTS

in the province of Ilocos Norte

Listahanan, also known as the National Household Targeting System for Poverty Reduction (NHTS-PR) was established by the Department of Social Welfare and Development (DSWD) to target who and where the poor are. The comprehensive database serves as a basis for selecting beneficiaries for social protection programs and services in the country. Results from the second assessment conducted in 2015 identified **12,137 poor households** among the **104,853 assessed households** in the province of **Ilocos Norte**.
