2015 LISTAHANAN QUICK FACTS AND FIGURES PROVINCE OF LA UNION

2015 LISTAHANAN RESULTS

in the province of La Union

Listahanan, also known as the National Household Targeting System for Poverty Reduction (NHTS-PR) was established by the Department of Social Welfare and Development (DSWD) to target who and where the poor are. The comprehensive database serves as a basis for selecting beneficiaries for social protection programs and services in the country. Results from the second assessment conducted in 2015 identified **22,679 poor households** among the **145,333 assessed households** in the province of La Union.
