2015 LISTAHANAN QUICK FACTS AND FIGURES PROVINCE OF PANGASINAN

2015 LISTAHANAN RESULTS

in the province of Pangasinan

Listahanan, also known as the National Household Targeting System for Poverty Reduction (NHTS-PR) was established by the Department of Social Welfare and Development (DSWD) to target who and where the poor are. The comprehensive database serves as a basis for selecting beneficiaries for social protection programs and services in the country. Results from the second assessment conducted in 2015 identified **113,857 poor households** among the **504,694 assessed households** in the province of **Pangasinan**.
